READING PASSAGE

B. Read the text and choose the correct answer. (8 x 2 = 16 points)

Marilyn Monroe

Marilyn Monroe was born on June 1st 1926 in Los Angeles. Monroe spent most of her childhood in foster homes and an orphanage. Then she married at the age of 16. She was working in a factory during World War II when she met a photographer and her career started as a model and actress which led her to get short-lived film contracts in 1950. Two years later she became famous and was one of the most photographed people in the world. Although she was successful, Monroe's troubled private life received much attention. In 1953, she founded her own film production company and helped homeless people. That's why, **they** always loved her. On the other hand she **struggled** with addiction, depression and anxiety. She got married twice which **both** ended in divorce. She died in 1962 from a drug overdose at her home before the ambulance took her to the hospital.

43. Which of the following is **false** about Marilyn Monroe?
- She spent her life with her family.
